Re: Claim Nos. 2957 & 5167; Ballot ID Nos. 182353801018083 & 182353801018054

Dear Garret, Bryan, and M-III Partners:

As you know, we are counsel for Arca Industrial NJ, Inc. ("Arca"). On January 15, 2020, Debtors and Arca settled Arca's Administrative Claim amount for **\$788,847.79**. See the two settlement emails attached with that agreement.

In Debtors' Notice Regarding Second Distribution Pursuant to Administrative Expense Claims Consent Program (Docket No. 8062 – attached), Arca is properly listed on page 52 as being included in the second distribution, but the amount of its **settled administrative claim amount listed is not correct**. Docket No. 8062 incorrectly lists the amount of Arca's settled claim as \$217,134.12 (it was in fact settled for **\$788,847.79**), and it incorrectly lists Arca's estimated second distribution amount as \$62,317.49 (it should be at least **\$226,399.30**). Also, Arca never received a first distribution.

I have attached the emails confirming Arca's and Debtor's settlement at the \$788,847.79 amount. (See attached Settlement E-Mail #01 and Settlement E-Mail #02.)

Vendor	Settlement Proposal at %	Settlement Proposal at %	Settlement Amount Listed in Docket No. 8062
ARCA INDUSTRIAL (NJ) INC	\$788,847.79	\$850,843.19	\$217,134.12

Please immediately confirm that you will file a corrected Exhibit C to the Notice with Arca's Settled Administrative Claim Amount as **\$788,847.79** and Arca's estimated second distribution amount as an amount of at least **\$226,399.30**, and forward us a copy of the corrected filing.

Regards,

**QUESTIONS REGARDING THIS NOTICE SHOULD BE ADDRESSED TO:  
SEARSAECPBALLOTSETTLEMENT@MHIIPARTNERS.COM.**

On October 15, 2019, the Court entered the *Order (I) Confirming Modified Second Amended Joint Chapter 11 Plan of Sears Holdings Corporation and Its Affiliated Debtors and (II) Granting Related Relief* (ECF No. 5370) (the “**Confirmation Order**”), approving, among other things, the Administrative Expense Claims Consent Program.<sup>2</sup>

On April 30, 2020, the Court entered the *Order (I) Allowing Administrative Claims, and (II) Granting Related Relief* (ECF No. 7888) (the “**Administrative Claims Order**”), authorizing the Debtors to pay certain *De Minimis* Claims (as defined in the Administrative Claims Order) in full subject to the caps and limits in the Confirmation Order.

**PLEASE TAKE NOTICE** that, as announced at the hearing on June 17, 2020, the Minimum Conditions under the Administrative Expense Claims Consent Program have been met. The Debtors intend to commence a second distribution (the “**Second Distribution**”) on or about July 31, 2020 to certain holders of reconciled Non Opt-Out Settled Admin Claims, Allowed Opt-In *De Minimis* Claims (defined below), and Allowed Non Opt-Out *De Minimis* Claims (defined below) (collectively, the “**Second Distribution Participants**”).

**Exhibit A** hereto lists the Opt-In Settled Admin Claims that qualify as *De Minimis* Claims pursuant to the Administrative Claims Order (the “**Allowed Opt-In *De Minimis* Claims**”) and will receive the remaining amount of their allowed Opt-In Settled Admin Claim, subject to the applicable 75% cap.

**Exhibit C** hereto lists the Non Opt-Out Settled Admin Claims that will participate in the Second Distribution (the “**Non Opt-Out Participants**”) and will receive their *pro rata* share of the Second Distribution.

**Exhibit D** hereto lists the Administrative Expense Claims (i) that have not been settled or allowed under the Administrative Expense Claims Consent Program or (ii) whose holders are recipients of potentially avoidable transfers (collectively, the “**Non Opt-Out Disputed Claims**”) and the amount of cash that will be reserved for such claims which represents a *pro rata* share of the Second Distribution.

**PLEASE TAKE FURTHER NOTICE that no distributions will be made on Non Opt-Out Disputed Claims as part of the Second Distribution unless they are reconciled and allowed by the Debtors by July 13, 2020. Holders of Non Opt-Out Disputed Claims that want to engage with the Debtors to reconcile and settle their claims to participate in time for the Second Distribution are encouraged do so as soon as possible by emailing: [searsaecpballotsettlement@miiipartners.com](mailto:searsaecpballotsettlement@miiipartners.com).**

**PLEASE TAKE FURTHER NOTICE** that the Allowed amounts of the Settled Administrative Expense Claims listed in Exhibits A-C represent the final Allowed amounts of any and all of the Second Distribution Participants’ pre and post-petition Administrative Expense Claims and/or priority unsecured claim under 507(a)(8), as applicable, and that settlement under the Administrative

Expense Claims Consent Program and by participation in the Second Distribution, the Second Distribution Participants are deemed to have waived and released any and all other Administrative Expense Claims and/or priority unsecured claim under 507(a)(8), as applicable, against the Debtors, and are forever barred, estopped, and permanently enjoined from asserting against the Debtors, their affiliates, successor and assigns (excluding Transform), any additional Administrative Expense Claims.

**Subject:** Sears - Tenth Omnibus Objection - Settlement Proposal

CONFIDENTIAL; SUBJECT TO FRE 408 AND OTHER RULES OF SIMILAR IMPORT

You are receiving this email because you/your client has asserted an administrative expense claim against the Sears/Kmart Debtors based on goods that were allegedly provided to the Debtors by a foreign vendor. The Debtors have objected to the amount of the claim as explained in detail in the attached objection (the "Objection"), and the Debtors disagree with the calculation of the amounts asserted by you/your client.

For settlement purposes only and to resolve all issues with you/your client with respect to its administrative expense claims in the chapter 11 cases, the Debtors would be willing to allow for each relevant party a single claim to participate in the Administrative Claims Consent Program as a Non-Opt Out Settled Admin Claim at ■% of the amount of the claim objected to in the Objection. The Non-Opt Out Settled Admin Claim shall resolve and supersede any proofs of claim, motions, or objections filed by you/your client that assert entitlement or request payment of an administrative or priority claim, and you/your client shall not be entitled to any other administrative or priority claim against the Debtors.

The Debtors are willing to increase their settlement percentage to ■% of the amount of the claims objected to in the Objection, but only if the Objection is resolved consensually in its entirety, meaning that all the holders of the remaining claims at issue in the Objection accept the Debtors' proposal by **4:00 pm EST on January 17, 2020.**

The proposed settlement amounts for the relevant claimants are attached in the PDF hereto. The MIII team is copied on this email and can answer any questions you may have regarding the proposed amount of your allowed claim.

**If you wish to accept the Debtors' proposal, please reply to me by email indicating that you ACCEPT.** This settlement offer will automatically be withdrawn at 4:00 pm EST on January 17, 2019. In

accordance with the Administrative Claims Consent Program, the Debtors will include your client in the next interim distribution made to creditors holding allowed administrative expense claims. By accepting this settlement, your client agrees to keep the terms of this settlement confidential and not discuss the settlement with any other party.

If you do not accept the Debtors' proposal, the Debtors intend to proceed with the Objection to your claim and to pursue any and all appeals in the event of an adverse ruling. No distribution will be made on account of your claim until the conclusion of all appellate litigation, which the Debtors anticipate will entail a significant period of time.

\*Capitalized terms used herein but not otherwise defined shall have the meaning ascribed to them in the *Order (I) Confirming Modified Second Amended Joint Chapter 11 Plan of Sears Holdings Corporation and Its Affiliated Debtors and (II) Granting Related Relief* (ECF No. 5370).

**Subject:** RE: Sears - Tenth Omnibus Objection - Update  
**Attachments:** Notice of Adjournment.pdf

All - The Debtors' Objection was not fully resolved within the timeframe set forth below. Accordingly, for those claimants who reached an agreement with the Debtors, the claims are allowed at █% of the amount of the claim objected to in the Objection.

Earlier this week, with the Court's permission, the Debtors filed their reply in support of the Objection and the attached notice adjourning the Objection for those parties who had not accepted the Debtors' proposal.

Thanks,

Bryan
